under the kilt at mc

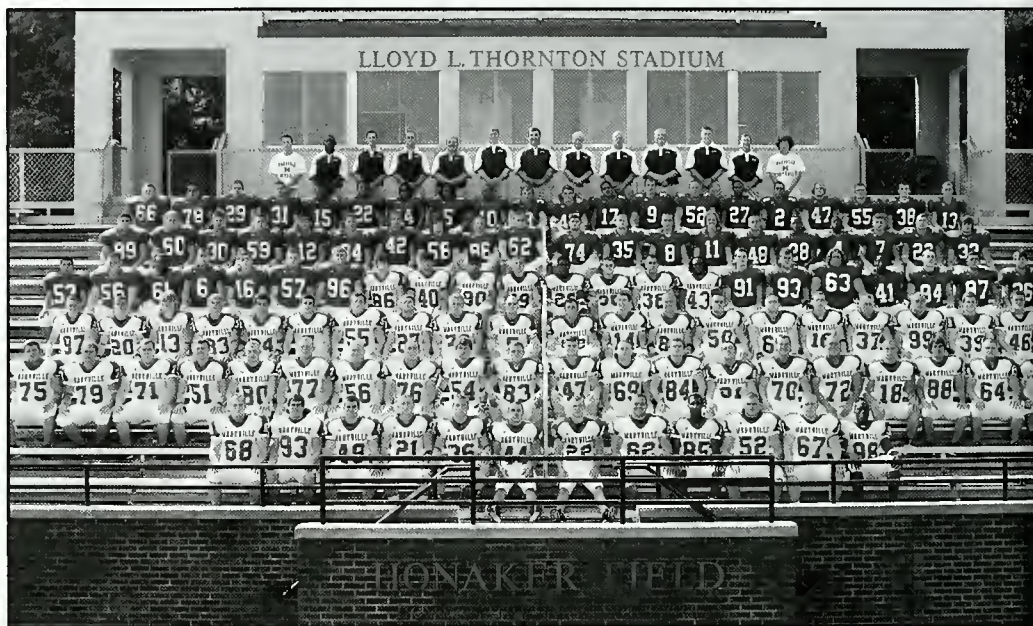

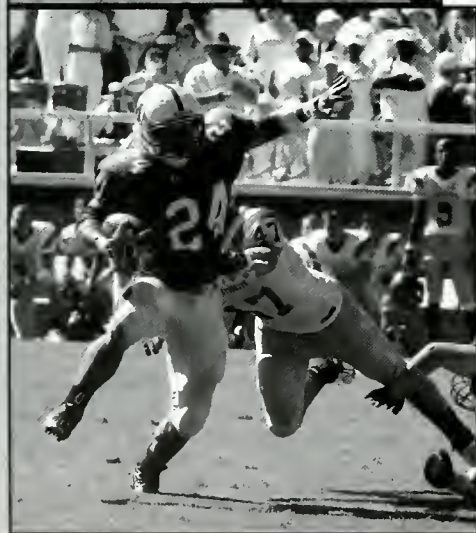

At Maryville College, the community has numerous windows of opportunity under the orange and garnet tartan of the Scotsman's kilt. First year students are fully immersed into the MC community through the covenant ceremony where they learn of the tenants that are embedded throughout our community: scholarship, respect, and integrity. As they progress forward in their four-year term, students windows are opened to more opportunities to become part of the Maryville community through programming by SPB and RHA, classes by our esteemed faculty and staff, clubs encompassing all interests from Anime to Habitat for Humanity, centers that provide numerous services from internships to learning strategies and even volunteer opportunities, and the change of scenery on our beloved campus snuggled in "Chilhowee's lofty mountains." The opportunities are endless, and as the Class of 2008 leaves Chilhowee they will still be reaping the benefits of all the opportunities that our orange and garnet kilt provide.

MC Ultimate,

This year has been a long road for the Maryville College Ultimate Frisbee team. We have camped, played in the blistering heat, in the freezing rain, and even in just plain cold. Thankfully no major injuries occurred. We had tons of laughs and made bonds with other teams that will help our team advance through the years. Looking back this year was a great year, even though "Cows are scary!" All the seniors will be missed dearly and the first years will be welcomed with open arms. So, now we look on to the next season.

under the kilt at mc

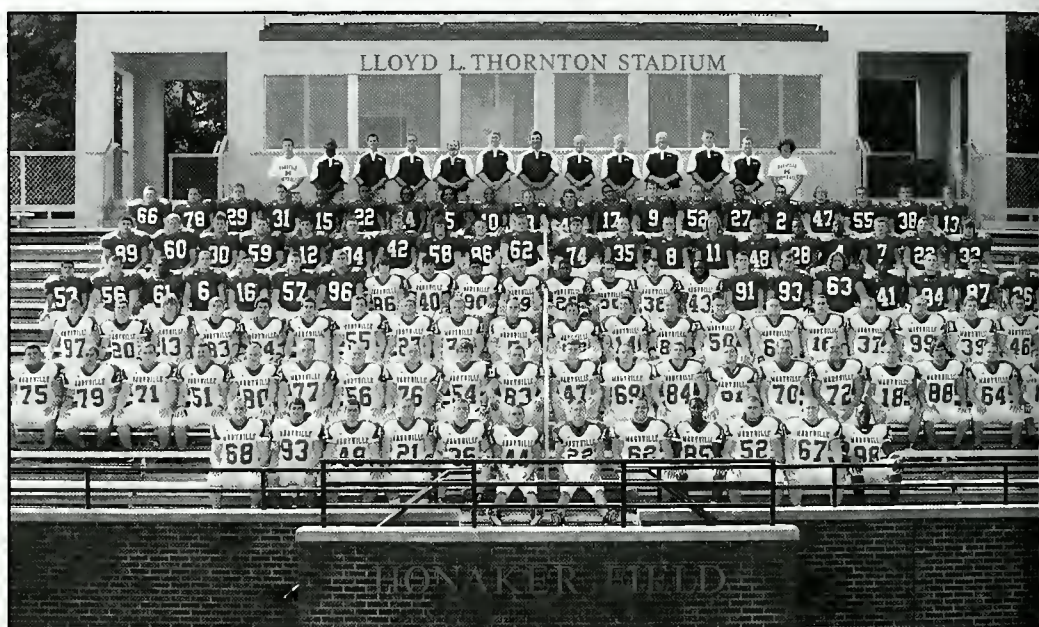

At Maryville College, the community has numerous windows of opportunity under the orange and garnet tartan of the Scotsman's kilt. First year students are fully immersed into the MC community through the covenant ceremony where they learn of the tenants that are embedded throughout our community: scholarship, respect, and integrity. As they progress forward in their four-year term, students windows are opened to more opportunities to become part of the Maryville community through programming by SPB and RHA, classes by our esteemed faculty and staff, clubs encompassing all interests from Anime to Habitat for Humanity, centers that provide numerous services from internships to learning strategies and even volunteer opportunities, and the change of scenery on our beloved campus snuggled in "Chilhowee's lofty mountains." The opportunities are endless, and as the Class of 2008 leaves Chilhowee they will still be reaping the benefits of all the opportunities that our orange and garnet kilt provide.
